The Merton Primary School

To be the best we can be.

Weekly Learning Review - Year 5

23.1.23

In Maths this week we have been:

- We applied our learning of the long multiplication written method to multiply 4 digit numbers by 2 digit numbers.
- We went on a very exciting maths hunt to recall our skills and apply them to a range of problems!

In English this week we have been:

- Reading a biography of Richard III— linking with our topic of the Tudors.
- Learning the features of a biography— including grammatical features.
- Planning a biography all about Henry VII (Tudor)
- Writing dictated paragraphs with a focus on our grammar and correctly demarcating sentences.

Other:

- In science, we have researched and learnt the difference between reptiles and amphibians.
- In art, we have continued to use our knowledge of the different shading techniques (using ink and a brush) to draw in the style of Sean Briggs.

This week's homework:

- Complete the English and maths key skills practise.
- Spelling: Learn the 8 words for your test.
- Reading: Regularly reading including your Oxford Owl book and completing your reading log.
