January 2020

Dear Parents and Carers,

IMPORTANT MEETING FOR ALL PARENTS
E-Safety – staying safe on line – Meeting : Thursday, 13th February at 6.00 pm

The internet, and all of its related functions, is a powerful tool and can be used in a very positive way. Unfortunately, it can also be used in a way that can be extremely harmful and cause a huge amount of personal misery. On-line activities are very appealing and this makes it particular important that we ensure children can engage in on-line activities safely. In order to safeguard children, it is important that we as adults are fully aware of the potential dangers.

In school we continue to reinforce appropriate use of the internet and personal responsibility. During this meeting school staff will be outlining the particular concerns we have and show the resources we use across the school when delivering and teaching our e safety curriculum.

Thank you for your support– it is extremely important for the well- being of children that we work in partnership in this area.

Yours sincerely

Headteacher

Please return this slip to school by Monday, 10th February. Thank you.

STAYING SAFE ONLINE
