Dear Parents

Free School Meals/Free Milk

The school can access funds to allow Free School Meal children to receive Free School Milk.

If your child is entitled to Free School Meals and you would like Free Milk to be provided please complete and return the attached slip to school as soon as possible. Once we have received your request we will process it through Cool Milk and your child should receive their milk the following week.

To avoid waste, please discuss this with your child and only order milk if you are sure they wish to drink it.

Do not register with Cool Milk; the school will do this on your behalf.

Yours sincerely
