*To be the best we can be.*

## Weekly Learning Review - Year 6

24.9.21

### In Maths this week we have:

- Been using written methods to add and subtract numbers.
- Been learning how to use inverses to help us to problem solve.
- Been solving multi-step problems.

### In English this week we have:

- Been recapping word classes in our grammar learning.
- Been experimenting with new vocabulary.
- Been learning a range of strategies to help us to retrieve information from a text.

### Other:

- In theme, we have been learning about what it would have been like to have been a child in World War 2. We learnt about evacuation and thought about what we would pack in our suitcases if we were evacuated.
- In science, we have been learning about how we see colour. We created colour wheels to look at how we see the colour white.
- In P.E., we have been learning the skills needed to play tag rugby.

### This week's homework:

- This week, we would like you to get stuck in to your books and enjoy your reading.  
Can you set yourself a goal or a challenge for the week?
- Reading-daily reading.
