

The Merton Primary School
To be the best we can be.

Weekly Learning Review - Year R

Week Beginning 11.10.2021

This week we have:

- been exploring our senses. We started the week by visiting Bell's Wood and using our senses to see what we could see, smell, touch, hear and taste.
- we created our own sense headband.
- the children took part in activities around the class that involved them using their senses, for example, herbal tea water play, lavender playdough and cutting up different herbs.
- we have been recapping sounds we have previously learnt in phonics and been learning our new sounds and caption actions for **n**, **m**, **d** and practised the formation of these letters using our Sparkle Marks.

Reading Books

The children have shared their reading books with a friend and adult in class this week. Please can we ask that reading books are returned to school each day to enable children to regularly read in school.

Your child is also bringing home a reading log home today, please leave a little comment when you read with your child. Thank you

After half-term we will be:

Beginning our new maths theme 'Just Like Me, 1 2 3'.

In literacy we will be reading **Percy the Park Keeper**.

In phonics we will recapping previously taught sounds for the first week.

We will also be using our Sparkle Marks to learn the letter formation.

P.E will be on a Monday after the half-term.
