

# The Merton Primary School

*To be the best we can be.*

## Weekly Learning Review - Year 3

In Maths this week we have:

- Begun to learn formal written methods for addition and subtraction.
- Learnt how to exchange when using formal methods in addition and subtraction.

In English this week we have:

- Used our inference skills when reading a text about an exciting day.
- Learnt about adverbs of time.
- Written instructions for how to use a knife carefully.

Other:

- History - learnt about the different Roman invasions of Britain
- PE - had our final gymnastics session and performed team sequences.
- DT - prepared and chopped pumpkins, then tasted and evaluated pumpkin soup.
- Science - learnt about friction and investigated the effect it can have on how vehicles travel over different surfaces..

This week's homework:

- Practise spelling words that are homophones
- Practise using the formal column method for addition and subtraction
