

The Merton Primary School

To be the best we can be.

Weekly Learning Review - Year R

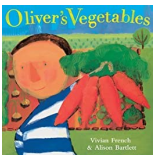

Week Beginning 20.06.2022

Our focus for this week has been Jaspers Beanstalk:

- ⇒ The children have written letters to Jasper asking him what he found at the top of his beanstalk.
- ⇒ In PSHE we talked about how we grow and how plants grow.
- ⇒ In phonics we recapped sounds, read and wrote sentences containing phase 3 di-graphs and phase 4 blends.
- ⇒ In maths we explored the composition of teen numbers.
- ⇒ The children were fantastic at sports day.

EYFS Chips

This term the children have done a fantastic job watering and nurturing our potato plants along with our EYFS garden planter. Our intention is to dig up the potatoes in the last week of term and fingers crossed have enough potatoes to have chips, which will be cooked by the school kitchen staff.

Please speak to Mrs Edwards or Miss De Blasio if you do not wish for your child to eat the chips.

Reading Books

Please can ask for all remaining reading books to be returned to school before the end of term?

This week the children will be bringing reading games home instead of a reading book.

- ⇒ Will we be reading Mad About Mini-beasts.
- ⇒ Next week we will be exploring mini-beasts. sorting them by criteria.
- ⇒ Reading and writing facts about mini-beasts.
- ⇒ Planting sunflowers
