

# The Merton Primary School

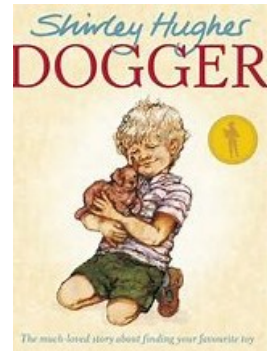

*To be the best we can be.*

## Weekly Learning Review - Year 1 24.06. 22

In Maths this week we have been comparing numbers to 100 and ordering numbers to 100. We have also started some learning on recognising coins and their values.

In English this week we have been thinking about how we can innovate the story Dogger to create our own version. After lots of sharing of ideas we made a plan and a new story map that included a different toy, character and stall!

### Other:

- This week Year One have been working really hard on their end of year assessments.
- Well done to all of the children on a fantastic Sports Day even in the hot weather they showed great determination!
- In RE this week we have been thinking about how Christians show they are thankful to God and wrote our own poem to show what we are thankful for.
- In DT this week we have made a start on our moving vehicles. The children showed excellent skill and precision when sawing their dowels.
- In PSHE we have been learning about how to stay safe online by never giving our personal details.
