

# The Merton Primary School

*To be the best we can be.*

## Weekly Learning Review - Year 2 24.6.22

### In Maths this week:

- Compared different amounts of money
- Finding different totals of money
- Finding the differences for example what is the difference between 30p and 50p?
- We have been making the same amounts of money

### In English this week:

- We continued with our story How to Hide a Lion, using their writing skills the children wrote a recount of this story. They used their knowledge suffixes to include these in their writing too,
- We started some new learning about conservation and started some new reading too.

### Other:

- Science: This week we learnt about food chains, we revised our knowledge of omnivores, carnivores and herbivores.
- Sports Day: For the first time in 2 years we had our Sports Day, great fun was had by all children.
- History: Continuing with our Nurturing Nurses topic of learning the children were introduced to a significant individual... Florence Nightingale. Can they tell you anything they have learnt about her?

### Homework

- Spelling homework: Please practise the spellings. They are given out on a Monday and are to be returned the following Monday for your spelling test.
- Maths homework: Please complete the maths homework and return into school the following Friday.
