

# The Merton Primary School

*To be the best we can be.*

## Weekly Learning Review - Year 3

In Maths this week we have been:

- Learning about lines of symmetry
- Learning about perpendicular lines
- Learning about parallel lines
- Describing the properties of 2D shapes
- Solving problems involving shape

In English this week we have been:

- Reading and responding to sports poetry
- Illustrating poems to show understanding
- Innovating a poem using the present perfect tense

**Other:**

- In P.S.H.E. we have been re-visiting keeping safe on line with a focus on receiving emails.
- In Computing, we have continued developing our skills in Scratch. We can now draw lines to create a maze.
- In Design Technology, we have planned our end designs involving an electrical circuit.
- In P.E we practised for sports day!
- In Languages, we have been learning the names of animals in French
- In Art, we have been using our tracing skills to draw around the key features

**Weekly homework:**

- Spellings— year 3 and 4 statutory words. Learn them for next week's test. Can you put them into a sentence to show you understand the meaning?
- Maths—describing 2D shapes
- Reading—please read as often as you can and fill in your reading log. Focus on your book band book first then your sticker book.
