

RE Intent Statement

The Merton Primary School
To be the best we can be.

At The Merton Primary, we believe that it is important for all our pupils to learn from and about religion, so that they can understand the world around them. The aim of Religious Education in our school is to help children to acquire and develop knowledge and understanding of Christianity and the other principal religions represented in Great Britain; to appreciate the way that religious beliefs shape life and behaviour, develop the ability to make reasoned and informed judgements about religious and moral issues and enhance their spiritual, moral, social and cultural development.

Religious Education is taught throughout the school in such a way as to reflect the overall aims, values, and philosophy of the school. It plays an important role, along with all other curriculum areas, particularly PSHE, in promoting social awareness and understanding in our children. It also has great links to the schools overall vision of being the best that we can be.

We encourage our pupils to ask questions about the world and to reflect on their own beliefs, values and experiences. We include and promote British values, ensuring that children are aware of their rights and responsibilities as UK citizens. Our curriculum is designed to encourage creativity, imagination, enquiry, debate, discussion and independence.
