Creation story	How Christians believe the world began
The Fall	When Christians believe sin began
guidance	Advice to help us do the right thing

What I will learn...

Christians believe that:

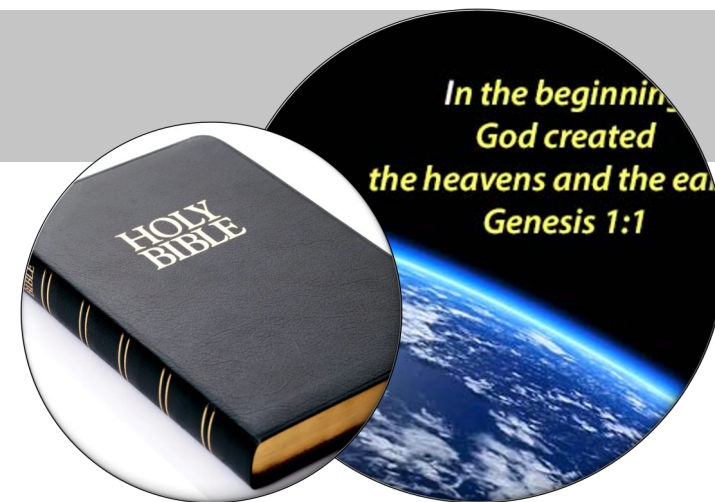

- God the Creator cares for the creation, including human beings.
- As human beings are part of God's good creation, they do best when they listen to God.
- The Bible tells a story (The Fall) about how humans spoiled their relationship with God.
- The Bible shows that God *wants* to help people to be close to him
- That God keeps his relationship with them, gives them guidelines on good ways to live (such as the Ten Commandments).

Making a difference at home

Spend time appreciating the world around you. Go outside and appreciate nature - the sights and sounds.

Think about how you look after things - what do you do to take care of things around you?

Sometimes people don't look after things - what can you do to help make things better?

Making a difference at The Merton

'What do Christians learn from the creation story?'

Children will learn about Christians' relationship with God and what they believe about the Creation of the world.

They will find out what Christians believe about the story of creation and how we can all appreciate the wonder of nature and the world.
