

The Merton Primary School

To be the best we can be.

Weekly Learning Review - Year 3

In Maths this week we have:

- Begun to learn the 4x tables facts.
- Solved multiplication and division problems involving the 4x tables.
- Continued to practise methods for addition & subtraction

In English this week we have:

- Thought about the power of short sentences in our writing, and written some of our own.
- Read and inferred characters' thoughts and feelings.
- Planned and written an adventure story where we go back in time.

Other:

- Created our own stop-frame animations in Computing.
- Learnt about stone age cave drawings in History.
- PSHE - built on our work from anti-bullying week to think about solutions to problems and fall outs.
- Science - investigated what happens to magnets when they go near each other.

This week's homework:

- Spelling - words with the prefix dis-
- Maths - Practise the 4x tables
