

The Merton Primary School

To be the best we can be.

Weekly Learning Review - Year 5

21.11.22

In Maths this week we have been:

- Identifying and representing fractions.
- Recognising and finding equivalent fractions.
- Recognising fractions over one whole.

In English this week we have been:

- Identifying the features of a recipe.
- Planning and writing a burrito recipe.
- Practising our reading comprehension.
- Spelling words ending in –ance and –ancy.

Other:

- For science this week, we conducted an experiment to test the friction of different surfaces.
- We learnt where Muslims get their guidance for living in R.E.
- In computing, we learnt to group and ungroup objects to make them easier to move and manipulate.

This week's homework:

- Complete the maths key skills practise and times table sheet.
- Spelling: Learn the 8 words for your test.
- Reading: Regularly reading including your Oxford Owl book and completing your reading log.
