- to offer informed suggestions about what the events of Holy Week mean to Christians.
- to give examples of what Christians say about the importance of the events of Holy Week
- to make simple links between the Gospel accounts and how Christians mark the Easter events in their communities
- to describe how Christians show their beliefs about Jesus in worship in different ways
- to raise thoughtful questions and suggest some answers about why Christians call the day Jesus died 'Good Friday', giving good reasons for their suggestions.
