

The Merton Primary School

To be the best we can be.

Weekly Learning Review - Year 2 27.01.23

In Maths this week we have learnt about:

- Adding money in different ways to solve word problems.
- Using different coins to make different amounts and seeing how many ways they can make different amounts.

In English this week we have learnt about:

- We reading the story 'Somebody swallowed Stanley'.
- We sequenced the story to put it in the right order and wrote about our favourite part of the story.
- We investigated the meaning of some of the vocabulary.
- We had a visit from the Year 4 children who

Other:

- In our Science we recorded why plants need light, warmth, water, nutrients and space.
- Art & Design: We have started designing our recycled sculpture.
- Geography: We have been continuing to look at a variety of maps and plans..
- In computing we have been investigating what happens if we change the order of the instructions.
- The Year 4 children joined us to share their stories that they had written based on the stone age. They were very entertaining and we were very impressed and inspired.

This week's homework:

- Spelling: Please complete the spelling homework to be handed in on a Monday.
- Maths: Number of the week challenge!
