

The Merton Primary School

To be the best we can be.

Weekly Learning Review - Year 3

In Maths this week we have:

- Begun work around fractions by looking at and comparing equal and unequal parts.
- We have also been exploring fractions and representations that we may have come across before.

In English this week we have:

- Read extracts of text from the 13 storey treehouse and made inferences about characters' thoughts and feelings.
- Written descriptions using prepositions and exclamations.
- Reviewed and edited work to make improvements.

Other:

- RE - learnt how Jewish people celebrate Passover.
- Computing - programmed sounds using Scratch to make different musical chords.
- Science - made observations of different soil types and learnt what makes up soils.
- DT - planned our own pop-up / moving book ready to make in the next two weeks.

This week's homework:

- Spelling - words with the /ay/ sound spelt 'ei' and 'eigh'
- Maths - basic facts practise
