*To be the best we can be.*

## Weekly Learning Review - Year 4

Week beginning 23.01.2023

In Maths this week we have been learning about:

- Understanding m and km as a unit of measure and how to convert m to km and vice versa.

In English this week we have :

- Continued with the story of the Stone Age Boy. We have finished our stories and presented them in little books. We then read our stores to Year 2.

Other:

- In History we are continuing to learn about the Mesolithic Period and looking at the site Star Carr.
- In Geography we have been learning about UK landmarks, in particular Beacon Hill.
- In Science we have continued learning about 'Electricity', looking at the dangers of electricity and how to stay safe. Electrical circuits links with both Science and D&T, so we have been looking at how to add a switch to our circuit.
- In RE we are looking at what it means to be a Hindu living in Britain today.
- In PE we have continued learning the skills of Netball.

### Homework

**This week there are no spellings to learn, we would like the children to really focus on their times tables. Each child has been given a times table to focus on.**
