

# The Merton Primary School

*To be the best we can be.*

## Weekly Learning Review - Year R

Week Beginning 13.03.2023

### Literacy

Our focus this week has been the story Farmer Duck by Martin Waddell. The children worked really hard to write a short collection of sentences about Farmer Ducks jobs.

### Maths

This week our focus has been composition of 9. Children looked for different visual patterns of 9 and played games to discover how 9 can be made up of smaller numbers.

### Phonics

REVISIT:

**igh, ee, ai**

### Science Week:

The children are very excited to have frogs spawn in class and learn how to care for them as we watch them develop through the life-cycle.

The children visited the pond to see where their new habitat would be and to collect pond water.

### TRIP:

On Thursday we will be going on our EYFS trip to Stonehurst Farm. The day consists of being outside on the farm. The weather is due to be **wet**—therefore please provide your children with suitable warm and waterproof clothing.

If you are intending to use your child's school wellies please check the condition of wellies as we have noticed a number of holes.

If you have any questions please speak with Mrs Edwards and Miss De Blasio.

### Next Week:

- Next week in literacy we will read Oliver's Vegetables and Oliver's Milkshake by Alison Bartlett. Children will be planting potatoes and writing instructions.
- In Maths we will be exploring number bonds to 10.
- In phonics we will be recapping the sounds: **oa oo oo**
- In topic children will be exploring where our milk comes from.
