Making a difference at The Merton

This half term, children will build upon their prior learning on Christianity. They will focus on how the teachings of Jesus and God help Christians to make a range of moral choices in their day to day life. Pupils will explore stories from the Bible, commandments and acts of generosity by famous Christian activists. Opportunities for debate will be given including how non-religious people decide how to live their lives and discuss moral dilemmas. What facts can you remember from our previous RE learning on Christianity and the Bible? Can you list these?
