Making a difference at The Merton and beyond

This term we will celebrate the festival of Diwali! We will acknowledge this important date in the Hindu calendar by dressing in our best and take part in a variety of colourful fun filled creative activities such as designing and colouring our own Diva lamps, Saris and Henna patterns. We will light our classroom with tealights and share special personal stories of love and light. Diwali is the celebration of light over darkness and good over evil and we will apply our Merton rules of kindness and helpfulness as a special reminder and dedication to Diwali.
