The SEN Information Report is part of a wider suite of documents relating to SEN, disability and inclusion which can be found on our website. In particular, it should be read alongside the school's SEND policy.

The school identifies and assesses SEND by:	<p>Teachers utilise the school's tracking systems to monitor each pupil's progress and academic achievements, as well as observing the pupil's behaviour and listening to concerns raised by parents.</p> <p>If a special educational need is suspected, the child is placed on 'Early Monitoring.' During this period, their needs are examined more closely through methods such as assessment analysis, observations of their learning and behaviour, and discussions with parents.</p>
The school supports SEND in accordance with its policy framework which is set out at:	<p>These policies set out the academy's approach to:</p> <ul style="list-style-type: none"> • Assessing and review the progress of children with SEND; • Teaching children with SEND; • Adapting the curriculum and learning environment for children with SEND; • Making decisions on additional support in relation to children with SEND; • Ensuring inclusion of children with SEND with children without such needs across all school activities; • Supporting the emotional, social and mental development of children with SEND; and • Evaluating the effectiveness of our provision for our children with SEND.”

Throughout the year, the SENCO along with the headteacher, will decide how the funds are allocated, taking into account the differing needs of pupils across the school. In some cases, the school may apply for additional SEN Intervention Funding (SENIF) though approval for this funding is not guaranteed.

The SENCO is available for 'drop-in' meetings or conversations during some parents evenings and during coffee mornings/afternoons. If children have learning plans, these are shared with the parents three times a year and children with EHCPs will have a review at least once a year.
Any concerns or complaints raised by a parent/carer of a pupil with SEND will be dealt with by the school by:	Parents are typically encouraged to first speak with their child's class teacher, who is often able to promptly address many concerns.
